## Report of Principal and School Improvement Council

The mission of Saxe Gotha Elementary School is to create a thirst for discovery and achievement by developing creative, compassionate and responsible young leaders. This year, SGE received the state's Palmetto Silver Award in recognition of our students' academic success and for closing achievement gaps.

The entire staff of SGE is trained in Stephen Covey's "The 7 Habits of Highly Effective People." They, in turn, teach these habits to students in preschool through fifth grade. A continued community partnership with our local Bojangles' enables us to recognize student leaders on a regular basis.

Staff worked to combine the Positive Behavior Interventions and Support (PBIS) system and The Leader in Me initiative into Live Respectfully, Engage Responsibly, Act Safely and Dream Big (LEAD). The entire school gathers monthly for a LEAD rally where students, staff and community members are recognized for practicing the "7 Habits" and for outstanding leadership efforts.

Each team of teachers met with administrators and coaches after the three Measures of Academic Progress (MAP) testing windows to review data from assessments such as the Palmetto Assessment of State Standards, MAP, DIBELS, Dominie and other formative classroom assessments. During these meetings, we reviewed data for each student, identified strengths and weaknesses, and set goals.

Students were responsible for setting individual academic goals and tracking those goals in their Leadership Notebooks. School goals were set and tracked in the hall for all stakeholders to see, and classroom goals were set and visibly tracked in the classroom. This year, students in kindergarten, first-, fourth- and fifth-grade exceeded the mean growth projection in MAP reading, and students in kindergarten through fifth grade exceeded it in mathematics.

A full-time literacy specialist and mathematics coach, along with outside consultants from Inspire Education and Engage! Learning and the National Paideia Center, helped our teachers implement best practices. Reading and mathematics interventionists worked with small groups during the school day, as well as during our Extended Day Program for third-through fifth-grade students who needed extra support in reading and/or mathematics.

Through strong collaboration, commitment and the dedication of our administrators, staff, students and community, we continue to focus on student achievement. Thank you for your outstanding support of and contributions to our students, our school and our community.

Principal Elizabeth A. Houck and SIC Chair Maxwell Highsmith

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>92.1</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Saxe Gotha Elementary School has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
